

DISPOSABLE COVERALL WITH HOOD

BDCH
Master Code

The **BioClean-D™** disposable coverall with hood is a single-use disposable garment that has been carefully researched, designed and constructed to provide the wearer with maximum comfort and protection.

The coverall has been manufactured from a revolutionary new **Clean-Tough™** fabric which is both lightweight, low linting, hard-wearing and compatible for use in ISO Class 4 cleanrooms and industrial environments.

The disposable coverall with hood is available in sterile and non-sterile versions and in a wide range of sizes to suit all users.
