## SINGLE USE DISPOSABLE SLEEVE COVERS

BDSC

**BioClean-D™** disposable sleeve covers are single-use sleeve covers that have been carefully researched, designed and constructed to provide the wearer with maximum comfort and protection.

These sleeve covers have been manufactured from a revolutionary new **Clean-Tough™** fabric which is lightweight, low linting, hard-wearing and compatible for use in ISO Class 4 cleanrooms and industrial environments.

Our disposable sleeve covers are available in one universal size and in sterile and non-sterile versions.
